Wedda would like to let you know that her work here is done. She received a call saying, "your address has been changed", an offer she couldn't refuse, for an appointment from which she will not be returning. This assignment comes with a huge sign on bonus, a reunion with family and friends she has not seen in a long time. Job security is exactly 110%. Her new mission takes her to a wonderful place where she will be socializing, dancing, and jamming her blues. Music, laughter and Love are guaranteed. She left detailed instructions for her children, grand kids and great grand kids to celebrate her mission here. Which has now been completed.
